

Experienced Engine Builder

Nicholson McLaren Engines Ltd – Wokingham, Berkshire

THE COMPANY

Nicholson McLaren Engines Ltd – based near Wokingham, Berkshire is a name synonymous with engine building and engine development since the 1970s.

Due to continued growth, we currently have a vacancy for a keen individual to support and work alongside our engineering team in our modern engine build workshop.

The successful candidate will be focused with a keen eye for attention to detail and able to maintain a consistently high level of performance and quality despite working in a pressurised, time sensitive environment.

You will be experienced in this industry and possess the ability to work alone or in partnership with other members of the team as required.

Hours: Full-Time 40 Hours per week Monday to Thursday.

JOB DESCRIPTION

The successful candidate will be responsible for the complete teardown and rebuilding of high- performance internal combustion engines.

The ideal candidate should be :-

- Experienced in engine building (essential).
- Confident in taking on a complete engine teardown and rebuild to a very high standard.
- Able to build and create new engines.
- Able to calculate cam/ignition timing, compression ratios etc.
- Familiar with using specialist tooling required for measuring/inspection.
- Read & understand technical drawings.
- PC literate.
- Capable of developing a build book/report writing.
- Dyno Testing and software calibration an advantage but not essential.

PERSONAL ATTRIBUTES:

- Self-motivated, tidy and organised.
- Very good attention to detail with excellent time management skills.
- Ability to work as a team member or confident alone.
- Must have own tools and transport.
- Able to meet deadlines and willing to adjust working hours to achieve these.

BENEFITS

- Competitive salary negotiable – Depending on experience.
- Auto enrolment pension scheme.
- 23 days holiday – increasing to 26 days after 5 years' service, plus bank holidays.
- Subsidised private medical insurance.
- Birthday – Day Off

If you would like to be part of our friendly, busy team please email your curriculum vitae.
